DJ / PRODUCER / LABEL FOUNDER / RADIO HOST

THE ARTIST

Fonkah is a DJ and producer delivering big, funky, heavyweight drum & bass, blending dub pressure with neurofunk precision, twisted atmospheres and earth-shattering basslines.

Pushing the sound forward since the '90s, Fonkah has helped shape the underground drum & bass communities of Atlanta and San Diego through decades behind the decks, in the studio, and as the longtime host of Schedule One Radio.

With over 100 releases across dozens of labels, he continues to push the sound forward as label boss of Sun & Shadow Recordings and owner of Schedule One Recordings. Free Tune Friday brings fresh music to listeners and DJs every week.
